

VANQUISH VQ45

Coming out to play, this 45-foot center console provides two generous lounge areas, a beautiful dining space, and a comfortable interior, whether it be for taking a shower, staying overnight, or retreating for a nap.

The swim platform is the start of water adventures, ideal for swimming, snorkeling, and using Seabobs. Performance and style are also in the game, and the quality is Dutch—the best in the world. This is the Rolls-Royce of the seas.

With the hard-top options and supercharged propulsion, this boat is unique.

Grab this opportunity, and if you wish to experience it before purchasing, take it for a day charter—you will be convinced.

Refrigerator	Yes
Hot water	Boiler
Internet	WIFI

Equipment

Bowthuster	SidePower SE 100/185 T
Stabilizer	Seakeeper 6
Inverter	Victron Quattro 220V/50Hz en 110V/60Hz
Batteries	Yes
Generator	Fischer Panda 8000i
Inverter	Victron Quattro 220V/50Hz en 110V/60Hz
Battery Charger	Victron Blue Smart Charger 12/15
Underwaterlights	2x on STB and 2 PS
Fire extinguisher	Yes
Bimini top	Soft top
Radar	Garmin

Standard Equipment

Board power 24 Volt DC direct current

Cabin sockets 230 Volt AC (supplied by inverter)

Main components (Ice-maker, Dometic air-co, Sea-bob, Seakeeper option, Boiler) 230 Volt AC

Batteries start batteries 4x VMF Sportline VDC31M, 12Volt, 105Ah

service battery 4 x AGM Zenith ZL060130, 6Volt, 320Ah/5h

generator battery 1 x AGM Ecobat EDC12-40, 35Ah (C5), 12Volt

bow thruster batteries 2x VMF Sportline VDC31M, 12Volt, 105Ah

Shore power supply 110 Volt or 230 Volt AC system

Isolation transformer input switch Victron Isolation transformer, 3600W (Automatic input switch 110/230V-> output 230V)

Isolation transformer shore power Victron Isolation transformer, 7000W

Generator Fischer Panda 8000i

Inverter/charger, sb in engine room (charger for service and thruster batteries) Victron Quattro 24/8000/200

Battery charger, ps in engine room (for generator batteries) Victron Blue Smart Charger 12/1

Interior cooling system Dometic DTG12 Self-contained unit (12000 BTU), 230V @ 50Hz

Extra Equipment

Washbasin installed in coriander sink warm and cold water

Build in soap dispenser

Mirror

Fan

Saloon with pantry

Sofa seating's

Coriander sink with wash basin warm and cold water

Micro wave

Master cabin
