

RITA RITAKI

The Pardo 60 Endurance yacht is a perfect mix of luxury and modern design. It offers both elegance and great performance for an amazing time on the water.

RITA RITAKI has a sleek look with a smooth shape and lots of open space. The aft area is equipped with two side balconies that can be opened at anchor. Its strong hull, made from advanced materials, ensures durability and a comfortable ride. The outdoor areas are designed for relaxation and fun, with a big sun deck and plenty of seating for your family and friends.

Navigation and docking is very easy thanks to the smooth Volvo Penta Engines, with only 520 engine hours. Also equipped with a gyro and three joysticks available on the main deck, flybridge and stern deck area.
